

## House Groups

We currently have nine house groups meeting within the four parishes. These groups usually meet on a weekly or a fortnightly basis, some in the daytime and others in the evening. We have women's groups, men's groups and mixed groups and all of them welcome new members. If you are interested in joining one of our house groups or would like further details please contact Gill Evans (01926 842690 [leycroft@btinternet.com](mailto:leycroft@btinternet.com))
